Rolling Technical Seminar

Back by popular demand, John Twist will again be conducting his iRolling Technical Seminarî during the July show event. A popular event at British Car Shows across the country, cars roll through John's workstation with a mechanical question or problems summarized on a form. Diagnosis, advice, and adjustments are provided on the spot. The work is free to Show registered cars. Spectators and cameras are welcome. This seminar will start at 10:00 a.m. and end about 1:00 p.m.

John Twist is the Master Technician and owner of University Motors in Kentwood, Michigan. He is one of the leading authorities on the mechanical workings of MGs, Stromberg carburetors, and Triumph thru TR6. If you have a question about other models, contact John through his daily technical support hour to see if he will be able to address your issue in the Seminar at the show.

Vendor / Car Seller Registration Form and Guidelines

Due to the fact that the Gilmore Car Museum is embarking on a rapid expansion program of additional museum buildings which will cause us to reshape our vendor space in 2011, we ask that all vendors adhere to the following guidelines:

- i We would appreciate participating vendors pre-registering by June 15, 2011. Spaces will be assigned in order of receipt of registrations. If you register and pay on the morning of the show, you will be assigned a space according to availability.
- i The charge for a 15 x 30 foot vendor space is \$20. Multiple 15 x 30 spaces are available.
- i The configuration of vendor space will be different this year, due to limited space.
- i Set up of pre-registered vendor displays may begin on Saturday, July 9, 2011 at 12:00 p.m.

**All questions or concerns relating to the above
should be directed to Bob Knitter at (269) 370-6266.**

We look forward to seeing you at Mad Dogs & Englishmen XXI.
